When Thomas Cook, founder of the world's first travel agency, first came to Japan and visited the Seto Inland Sea, it was said that he was stunned by the beauty of the landscape and he expressed his feeling that the Seto Inland Sea was like a beautiful scenery created by gathering the best spots of European lakes which he had ever seen. As one of Japanese travel agents, we are very honored with his words.

We have a wide variety of plans for foreigners who would like to visit Japan to satisfy their expectations. Considering customers' purpose of travel, we value the spirit of hospitality (O-MO-TE-NA-SHI), fascinating Japanese food and vivid landscapes which change with season.

We have an office in Sagami-hara-shi, Kanagawa-ken, the prefecture next to Tokyo. Your visit to Japan will start with the arrival at Haneda Airport, Narita Airport or Port of Yokohama. If you are interested in Yokohama port town, Kamakura (Home of Samurai), Shonan beach, Hakone and Izu which are famous for a lot of ONSEN and Mr. Fuji, and traveling to Hokkaido and/or Kyoto starting from these areas, please do not hesitate to contact us. We are pleased to help you.
